

The JET STREAM is the ultimate full wrap frame that provides superior protection in a sleek and high-quality finish. The 8 base wraparound design is fitted with an EVA dust gasket providing maximum protection against sun, wind, dust, glare, and impact. The anti-slip rubber nose pads provide a secure fit, while the ergonomically designed co-moulded temples comfortably grip and adjust to various head contours. The polycarbonate frames are lightweight, durable and feature a fully adjustable elastic strap that can be easily connected, providing additional comfort and stability.
